Dear School Administrator,

Congratulations on the selection of student _____ to participate in the incentive ride aboard a C-17 at March ARB, as a Civil Air Patrol member on Wednesday, March 24, 2010

This incentive ride exposes your student to the workings of a C-17 Globemaster III transport aircraft and its crew. Familiarizing them with the day to day working environment of our active military. This requires that the student miss one day of school on Wednesday, March 24, 2010. We hope that you'll agree that enriching experiences, like this incentive ride, come along rarely and are worthwhile opportunities for students to broaden their horizons. I ask that the student be given an excused absence for March 24 and be given adequate time to make up any schoolwork they may have missed.

If you have any questions about the ride or your students participation in it, please look at the website <http://sq45.cawg.cap.gov/>. I would also be happy to answer any questions you might have about the event. You can reach me at the email address below.

Sincerely,
